Quarterly Balance of Payments

Third Quarter, 2019

Balance of Payments

During the third quarter of 2019, the current account deficit narrowed by 7.6 per cent to KSh 101.0 billion from KSh 109.3 billion in the same quarter of 2018 as shown in Table 1. Merchandise trade balance decreased by 6.7 per cent from a deficit of KSh 254.3 billion in the third quarter of 2018 to a deficit of KSh 237.3 billion in the third quarter of 2019 mainly as a result of 5.3 per cent decline in imports and 3.0 per cent decrease in exports.

In the third quarter of 2019, international trade in service receipts increased by 1.0 per cent while service payments grew by 2.5 per cent resulting into 2.4 per cent decline in the net inflows to a surplus of KSh 40.3 billion. Remittances from the diaspora increased by 5.1 per cent to KSh 68.0 billion in the third quarter of 2019 and supported the increase in the secondary income account to a surplus of KSh 128.9 billion.

Net inflows in the financial account more than halved from a surplus of KSh 98.5 billion in the third quarter of 2018 to a surplus of KSh 40.9 billion in the corresponding quarter of 2019. Stock of gross official reserves increased by 13.4 per cent to stand at KSh 978.6 billion as at end of September 2019. In the quarter under review, the overall Balance of Payments posted a surplus of KSh 41.3 billion from a deficit of KSh 39.2 billion in the third quarter of 2018.

Public External Debt

The stock of public external debt increased by 19.4 per cent from KSh 2,605.3 billion as at end of September 2018 to KSh 3,111.8 billion as at end of September 2019 as presented in Table 2. Commercial banks accounted for 34.3 per cent of the stock of public external debt, having risen by 19.0 per cent from KSh 898.3 billion registered in the third quarter of 2018. The stock of bilateral and multilateral public external debt similarly grew by 26.0 per cent and 14.1 per cent, respectively over the same period.

International Merchandise Trade

In the third quarter of 2019, the volume of trade declined compared to the same quarter of 2018 as presented in Table 3. The reduction could be attributed to 3.2 per cent decrease in total exports to KSh 145.9 billion and 4.9 per cent decline in imports to KSh 410.5 billion. This resulted to narrowing of the merchandise trade deficit from KSh 281.1 billion in the third quarter of 2018 to KSh 264.7 billion in the same quarter of 2019 as depicted in Figure 1.

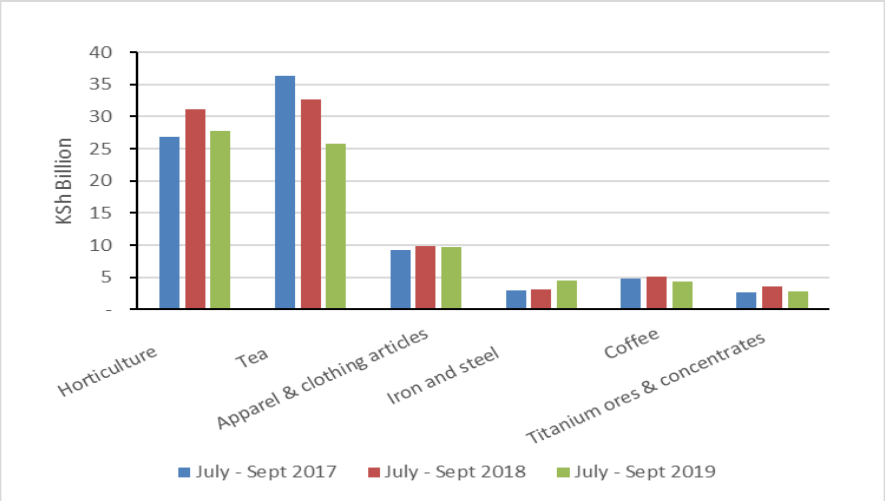
Value of Domestic Exports

During the third quarter of 2019, domestic export earnings reduced by 5.6 per cent to KSh 124.9 billion from KSh 132.3 billion in the same quarter of 2018. This was occasioned by declines in export earnings from the leading commodities; tea (21.2 %), horticulture (10.7 %), coffee (16.7 %); and titanium ores and concentrates (20.6 %). On the contrary, the value of domestic exports of iron and steel continued to grow amounting to KSh 4.5 billion in the quarter under review, as highlighted in Annex 1 and Figure 2.

The share of domestic exports of food and beverages by Broad Economic Category (BEC) reduced from 48.7 per cent in the third quarter of 2018 to 43.5 per cent in the corresponding quarter of 2019 largely driven by reduced exports of primary foods and beverages for household consumption as presented in Annex 7. Notable increases were registered in domestic exports of other processed fuel and lubricants which more than doubled during the third quarter of 2019, compared to the third quarter of 2018.

Figure 2: Domestic Exports of Selected Commodities, 3rd Quarter, 2017-2019



Value of Imports

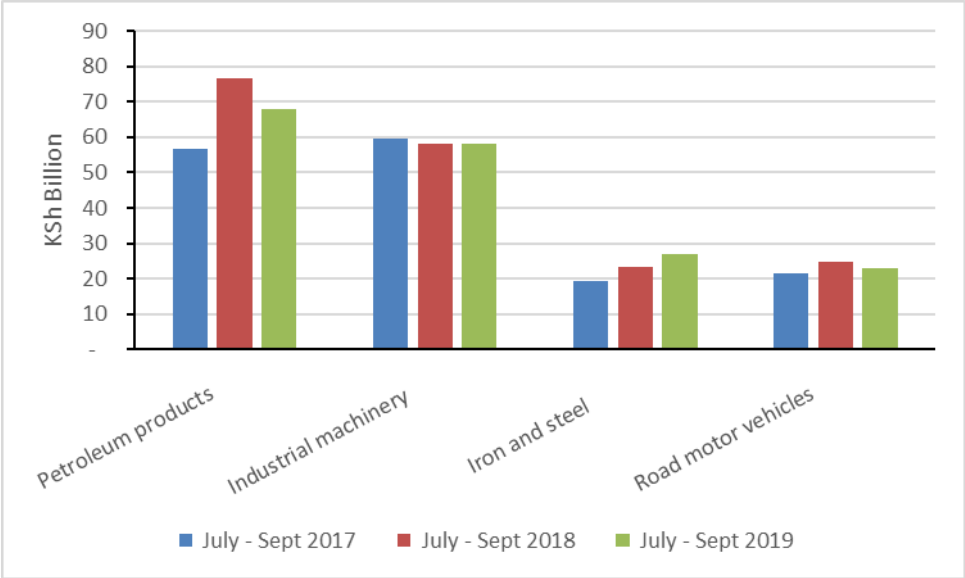
Expenditure on imports declined from KSh 431.8 billion in the third quarter of 2018 to KSh 410.5 billion in the quarter under review. Imports of petroleum products accounted for 16.5 per cent of the total import bill despite a decline in expenditure from KSh 76.7 billion in the third quarter of 2018 to KSh 67.7 billion in the corresponding quarter of 2019, as shown in Figure 3. Moreover, imports of road motor vehicles declined by 8.6 per cent to KSh 22.8

billion during the quarter under review, as shown in Annex 3. Imports of animal and vegetable fats and oils, medicinal and pharmaceutical products; and organic and inorganic chemicals jointly declined by 25.5 per cent to KSh 25.9 billion over the review period.

Quantities of imported iron and steel rose by 26.7 per cent and drove the increase in expenditure from KSh 23.3 billion in the third quarter of 2018 to KSh 26.9 billion in the third quarter of 2019. In addition, the volume of sugar, molasses and honey imported during the third quarter of 2019 nearly doubled from the quantities imported during the same quarter in 2018. Consequently, expenditure on this commodity rose from KSh 5.8 billion in the third quarter of 2018 to KSh 9.6 billion in the third quarter of 2019. The volume of imported maize, wheat and rice rose by 84.8, 10.6 and 7.7 per cent, respectively in the third quarter of 2019. Similarly, expenditure on these commodities jointly rose from KSh 17.3 billion in 2018 to KSh 19.9 billion in 2019.

Imports of non-food industrial supplies by BEC accounted for 34.2 per cent of total imports in the quarter under review compared to a share of 34.8 per cent in the corresponding quarter of 2018, as presented in Annex 8. Imports of processed food and beverages for industry more than doubled to KSh 9.7 billion in the third quarter of 2019 from the same quarter of 2018, and partly contributed to the 2.6 percentage point increase in the share of food and beverages to the total imports over the review period.

Figure 3: Value of Selected imports, 3rd Quarter, 2017-2019



Direction of International Merchandise Trade

Total exports dropped from KSh 150.6 billion in the third quarter of 2018 to KSh 145.9 billion in the corresponding quarter of 2019. Exports to Asia fell by 13.4 per cent from KSh 43.8 billion in the third quarter of 2018 to KSh 38.0 billion in the same quarter of 2019 as illustrated in Annex 5. Notable declines in exports to Asia were recorded in the value of total exports to Pakistan (29.4%), Saudi Arabia (46.7%) and India (46.8%). The decrease in domestic exports of tea to Pakistan and re-exports of Kerosene type Jet fuel to Saudi Arabia were the main contributors for the overall decline in total exports to these destinations. Similarly, reduction in the export of dried leguminous vegetables to India resulted to a decrease in export revenues from this destination. On the contrary, there was an increase in total exports to Singapore, on account of domestic exports of crude petroleum during the quarter under review.

Total exports to Africa were valued at KSh 56.7 billion and accounted for 38.9 per cent of the total exports to the rest of the world during the third quarter of 2019. Total exports to the EAC grew by 14.3 per cent from KSh 31.2 billion in the third quarter of 2018 to KSh 35.6 billion in the third quarter of 2019 largely on account of increased exports to Rwanda and Tanzania which rose by 56.0 per cent and 17.3 per cent, respectively. However, exports to South Africa, Somalia and Democratic Republic of Congo jointly reduced from KSh 9.7

billion in third quarter of 2018 to KSh 6.2 billion in the third quarter of 2019. Uganda remained the major export destination in Africa accounting for 28.6 per cent of the total exports to Africa.

Total export earnings from the European Union stood at KSh 29.9 billion and was 0.7 per cent higher compared to the corresponding quarter of 2018. Total exports to Belgium and the United Kingdom increased by 49.9 per cent and 1.4 per cent, respectively. The rise was driven by increase in exports of coffee to Belgium and cut flowers to the United Kingdom. On the contrary, total exports to Netherlands and France declined to KSh 10.0 billion and KSh 2.2 billion respectively. Total exports to the United States of America (USA) stood at KSh14.1 billion in third quarter of 2019, a 1.1 per cent decline compared to the corresponding quarter of 2018.

Import expenditure in the third quarter of 2019 was KSh 410.5 billion from KSh 431.8 billion in the same quarter of 2018 translating to 4.9 per cent decline as presented in Annex 6. Asia remained a major source of imports accounting for 62.6 per cent of all imports. However, this was a decline from KSh 289.2 billion exhibited in the third quarter of 2018 to KSh 257.0 billion recorded in the third quarter of 2019, translating to 11.1 per cent decrease. The drop in imports from China (9.3%), India (18.7%), Korea South (39.7%), and Japan (15.4%), contributed largely to the decline in imports from this region in third quarter of 2019. Imports of worn items of clothing from China significantly reduced as well as kerosene type jet fuel and gas oil from India resulting in low imports from these sources. In addition, imports of flat rolled products of iron and non-alloy steel from Japan recorded remarkable declines, as well as imports of isocyanates and unwrought zinc from Korea South. Conversely, there was an increase in imports of motor spirit (gasoline) premium and crude palm oil from Malaysia during the quarter under review.

Expenditure on imports from Africa increased by 28.2 per cent to KSh 61.7 billion in the third quarter of 2019 from KSh 48.2 billion in third quarter of 2018. Imports from America were valued at KSh 20.5 billion in third quarter of 2019, representing 5.0 per cent increase compared to the corresponding quarter of 2018. Import values from USA increased by 38.9

per cent from KSh 10.9 billion in third quarter of 2018 to KSh 15.1 billion in the same quarter of 2019, largely contributing to the increase from the region.

The European Union accounted for 12.4 per cent of the total imports valued at KSh 50.8 billion in the third quarter of 2019 which was a 7.7 per cent decline compared to the corresponding quarter of 2018.

ANNEXES

Annex 1: Value of Domestic Exports of Principal Commodities, 2017– 2019
