Constitution of Kenya

Kenya's current constitution was **promulgated on 27th August 2010** replacing the old one that had been in place since Kenya's Independence in 1963. It provides the Structure of Government of Kenya to consist of **The Executive, The Legislature**, **The Judiciary** and **The Devolved Governments**.

The Executive

The President, the Deputy President, and the cabinet constitute the executive arm of the Kenyan government. The President is the Head of State and Government, Commander-in-Chief of the Kenya Defence Forces, and the chairperson of the National Security Council.

The President is elected directly by all registered voters for a five year term. For a person to be declared winner of the presidential vote, the candidate must receive 50 per cent plus one of the total votes cast, plus at least 25% of the votes cast in more than half of the counties. One can only serve as president for a maximum of two terms.

The Deputy President is the President's principal assistant. During the presidential election, each presidential candidate nominates a running mate. Upon election, the running mate becomes the Deputy President.

The cabinet comprises of the President, the Deputy President, the Attorney General, and 14 to 22 cabinet secretaries. The President appoints the cabinet secretaries, but the appointments must be approved by the National Assembly.

Cabinet Secretaries (**as at May, 2018**)……21

NOTE: *In the New Constitution, Cabinet Secretaries are appointed from outside Parliament and the President and the Deputy President are no longer Members of the Parliament.*

The Legislature (Parliament)

As per Article 93 of the Constitution 2010, the Parliament consists of the National Assembly and the Senate with membership of 418 including the speakers of the two Houses.

(a) The National Assembly

Article 97 of Constitution of Kenya provides for the membership of the National Assembly comprising of the Elected and nominated Members as follows;

Ex-officio- Speaker	1
Elected Members from single Member Constituency	290
Elected Women from each County Constituting a single member Constituency	47
Nominated Members	12

(b) The Senate

Article 98 of Constitution of Kenya provides for the membership of the Senate consisting of the Elected and nominated Senators as follows;

Ex-officio- Speaker	1
Elected Senators from each of the	47
Counties	47
Nominated Women Senators	16
Nominated Senators (one man and woman) representing the youth	2
Nominated Senators representing persons with disabilities	2

The Judiciary

The constitution creates an independent judiciary consisting of the courts of law and tribunals. The Chief Justice is the head of the judiciary, and is appointed by the President on the recommendation of the Judicial Service Commission. This is subject to the approval of the National Assembly.

Under the Kenya constitution, the **Supreme Court is the highest court** in Kenya. The Chief Justice is the President of the Supreme Court. This court also comprises the Deputy Chief Justice and five other judges.

The **Court of Appeal is the second highest court** in Kenya. It comprises of at least 12 judges and is headed by a President of the Court of Appeal. The court only has appellate jurisdiction over appeals from the High Court and other courts and tribunals.

The **third highest court in Kenya is the High Court**. The High Court has unlimited original jurisdiction in criminal and civil matters. The court also has supervisory powers over the subordinate courts.

The constitution mandates Parliament to establish special courts to determine disputes related to employment and labour relations, land and environmental matters. These special courts have equal status with the High Court. The High Court does not have any jurisdiction over matters handled exclusively by these special courts.

The Devolved Governments

The Kenya constitution establishes **47 counties**, each with its own Government. County Governments consist of a county assembly and a county executive. The county assembly is made up of members elected from different wards in the county.

The county governor is the head of the county executive. Voters in each county elect their governor and deputy governor directly. The governor then appoints other members of the county executive committee, with the approval of the county assembly.
